DAY PACKAGE TOUR

SUMMARY

At 8:30 am, your private transfer will pick you up and drive you to the small Cape West Coast town of Yzerfontein.

A briefing and introduction to your horse will take place when you arrive, and the tour will then begin. Depending on your preference, you can choose to ride along the pristine white sandy beaches or spot the wildlife on the safari trail. Your guide will share their knowledge of the local flora and fauna and point out interesting wildlife sightings. Along the way, you'll also stop for a picnic lunch while taking in the stunning views of the surroundings.

Following their horseback riding experience, clients have the option of participating in a San tea tasting, where you learn about the history and culture of the San people, or a gin tasting, where you are shown how gins are made and given four different gins along with a surprise.
